Goran's secret missions for the Rangers Guild take him across the British colonies of North America - from far-flung mountains and rushing rivers to frontier farms and bustling towns. Along the way, Goran encounters Daniel Boone, George Washington, an improbably tall dwarf, a mysterious water maiden, and a series of terrifying monsters from European and Native American legend. Comrade Corbyn Rosa Prince 2018-03-07 He is a most unlikely revolutionary: a middle-aged, middle-class former grammar schoolboy who honed his radicalism on the mean streets of rural Shropshire. Last summer, this little-known outsider rode a wave of popular enthusiasm to win the Labour Party leadership by a landslide, with a greater mandate than any British political leader before him. This new edition of the critically acclaimed biography brings the Jeremy Corbyn story fully up to date, setting out how this very British iconoclast managed to snatch the leadership of a party he spent forty years rebelling against and, despite rebellion from within his own ranks, managed to galvanise millions to vote for him in the 2017 general election. Engaging, clear-sighted and above all revealing, Comrade Corbyn explores the extraordinary story of the most unexpected leader in modern British politics.

Buyology Martin Lindstrom 2010-02-02 NEW YORK TIMES BESTSELLER • “A fascinating look at how consumers perceive logos, ads, commercials, brands, and products.”—Time How much do we know about why we buy? What truly influences our decisions in today’s message-cluttered world? In Buyology, Martin Lindstrom presents the astonishing findings from his groundbreaking three-year, seven-million-dollar neuromarketing study—a cutting-edge experiment that peered inside the brains of 2,000 volunteers from all around the world as they encountered various ads, logos, commercials, brands, and products. His startling results shatter much of what we have long believed about what captures our interest—and drives us to buy. Among the questions he explores: • Does sex actually sell? • Does subliminal advertising still surround us? • Can “cool” brands trigger our mating instincts? • Can our other senses—smell, touch, and sound—be aroused when we see a product? Buyology is a fascinating and shocking journey into the mind of today’s consumer that will captivate anyone who’s been seduced—or turned off—by marketers’ relentless attempts to win our loyalty, our money, and our minds.
